#### **APRESENTAÇÃO**

O Departamento da Receita Federal, através da Coordenação do Sistema de Informações Econômico-Fiscais, tem o prazer de colocar à disposição da administração fazendária, de entidades públicas e privadas e dos estudiosos em geral, o décimo quinto volume da publicação IPI - Movimento de Compra e Venda correspondente ao período de apuração, 1988.

A obra, que se insere num amplo programa editorial destinado à divulgação de dados e informações de natureza econômico-fiscal, apresenta estatisticas pertinentes à área tributária, oferecendo circunstanciado detalhamento no que concerne ao lançamento do imposto sobre Produtos Industrializados e abrange todas as entradas e saídas de mercadorias, as quais são apresentadas da seguinte forma:

- . Classificação segundo os setores de atividade econômica; e
- . Classificação segundo os códigos da Nomenclatura Brasileira de Mercadorias (NBM).

Objetivando possibilitar a análise dos dados, foram incluidos no presente trabalho os anexos:

- I TIPI Tabela de Incidência do Imposto sobre Produtos Industrializados - abrange as alíquotas, códigos e descrição das mercadorias;
- II Tabela de conversão dos Códigos da Natureza da Operação relaciona os códigos do IPI e seus equivalentes na escrituração fiscal; e
- III Relação das unidades-padrão utilizadas na coluna "quantidade", em cada posição.

Ao entregar à circulação esta obra, a Coordenação do Sistema de Informações Econômico-Fiscais espera estar contribuindo para um melhor conhecimento da realidade econômico-tributária do país.
